

# The Medique Unique Leadership Award

This award for **Leadership**, is an opportunity to recognize a member, of the California State Association of Occupational Health Nurses (CSAOHN), that has exhibited exemplary leadership in the profession of Occupational Health. Leadership in occupational health can take many forms from business operations to chapter officer, to teacher or researcher. A leader either formally titled or an informal manager, mentor, trainer, collaborator or instigator; influences positive outcomes.

Since 1991, Medique Pharmaceuticals has presented the Medique Unique Leadership Award to recognize the outstanding Leadership abilities of Occupational Health Nurses in the California State Association Occupational Health Nurses.

## Objectives

- To recognize leadership of Occupational Health Nurses at a state level.
- To encourage development of leadership skills by members of your association.
- To increase awareness of the role of the Occupational Health Nurse to both employers and the community.
- To assist through the aid of the Medique Award, the educational efforts of the state association

## General Information

The award recipient will receive a commemorative plaque and is eligible for additional recognition and compensation, as determined by the CSAOHN Board of Directors

## Candidate Criteria

- Minimum of one year (1) in the field of Occupational Health Nursing at the time of application.
